BENEFITS

Grill separately for smooth entertaining
The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

Clean your shelf supports with ease
When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

Set for 1 hour
The mechanical timer keeps track of your cooking time for 1 hour.

Flexibility and Convenience
With the choice of right or left side opening you are able to flexibly choose an elevated cooker that suits your kitchen design.

Built in Australia
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
