

4.5kg vented tumble dryer comes with anti-tangle reverse tumbling action for even drying results. Other features include time drying and warm / hot setting.

Product Details

FEATURES

Front lint filter

Easy to use rotary dial control

Time drying

Front or rear venting

Child safety lock door

Wall mounting kit included

BENEFITS

Stacks of space

Create valuable floor space in your laundry by installing the dryer onto the wall with our secure wall mounting kits.

Reverse Tumbling Action

Tumble action alternates clockwise to anti-clockwise, reducing clothes tangling and bunching together, so they dry more evenly.

Flexible venting options

You choose whether to front or rear vent, with or without the optional venting kit. Allows you to choose the best option to suit your laundry needs

Auto cool down

The auto cool down forms a part of the final drying cycle. This reduces creasing of clothes and provides a safety feature.

Specifications
