### BENEFITS

One compartment, any occasion  
Our FlexSpace Convertible Compartment has a temperature range from -23C to +7C. With 5 predefined settings to meet your changing needs, you can choose to chill your drinks, freeze your meat or store your deli snacks with a touch of a button\* \*within 2 hours

SmartSplit Door Design  
Optimally split doors give you more usable space in your fridge door. You can reach larger items in a quick and easy manner, saving you the need to open both doors every time.

FreshSeal™ Easy Glide Crispers  
FreshSeal crispers with automatic humidity control give you the flexibility to look after your fruit and vegetables the right way. Designed with your comfort in mind, the easy glide crisper bins open effortlessly and provide easy access even when theyre full.

Filtered Ice and Water Dispenser  
The dispenser provides fresh, filtered water as well as cubed or crushed ice at the touch of a button for all your family needs

## Slide Back and Flip Up Shelves

The flexibility to slide back or flip up some of the fridge shelving makes fitting those extra tall items or large platters a piece of cake.

## UltraChill

The UltraChill setting is a deep chill at -2C which keeps meat and fish fresh in optimum condition for longer without freezing which ensures the fresh texture is maximised and moisture loss is reduced compared to regular deep freezing. This saves your time defrosting meat and more time to enjoy with family.

---

## Drinks Storage

Store your drinks at the ideal temperature every time by setting the drawer at 7C for perfectly chilled wine and champagne, or at 0C for ice cold drinks.

## Snacks Storage

Store your cold meats and cheese at 3C, the ideal temperature for fresh family favourites to be ready on the go.

---

## SnackZone

The SnackZone is the ideal compartment for family favourites. The optimal height for even the smallest family members to reach, ensuring healthy snacks are always available.

## DualCooling

With the DualCooling system, the fridge and freezer compartments work independently to maintain the optimum temperature and humidity to keep foods fresh or frozen.

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
