

300L chest freezer, white with lightweight, spring loaded lid, removable wire basket, adjustable thermostat & 3.5 energy star rating

Product Details

FEATURES

Quick chill function	Removable, high insulation door seal	Hovering Door	Removable Baskets
Power-off Protection	Ultra Thin Hinges	Recessed Handle	Mechanical Control
Adjustable Legs	R600a refrigerant better for the environment	White Inner Liner	

BENEFITS

Chill out with Quick Freeze Quick Freeze brings the temperature of your freezer down to freeze food quickly.	Hovering door The hovering door design allows you to open and leave the door at any angle between 30 and 60 degrees, allowing you to pack or unpack your freezer without the need to hold up the freezer door.
Removable baskets Baskets can be removed to allow more storage space. When in use they keep the freezer neat and organised.	Power off protection This new chest freezer is able to keep the inside temperature at 0 degrees for up to 135 hours after powering off.
Ultra-thin hinges Short on space? The ultra-thin hinges on the chest freezer, allows you to place it right up against the wall.	Mechanical Control Simply turning the temperature knob, you can set the temperature of the cabinet as you need, making sure that all kinds of food will be kept in the right condition.
Recessed Handle This modern design of the luxurious recessed handle in round corner, perfectly fits into any existing kitchen design and easy to clean	R600a refrigerant More environmentally friendly
